

How to Use Utah News Source

1. Simply fill out the form on our main page with your contact info and press release. Then hit submit.
2. Include special add-ons like word and URL linking or a social media tag to help you get the best press possible.
3. Submit your order form.
4. Editors at Utah News Source will then receive your information and upload it to our newswire. Your press release will go online under "Utah News" as well as sent out to all the editors, producers and reporters in the category you choose.

Presto! You're on your way to much better news coverage for your company.
